

If you think **BIRTH CONTROL**
is an issue between a husband and wife,
you think differently than Rick Santorum.

Rick Santorum would allow states to ban birth control, even for married couples.

RICK ON BIRTH CONTROL:

"I'm not a believer in birth control... I don't think it works. I think it's harmful to women."

(Newsweek, 12/27/04; CN8, 7/28/05)

It's unbelievable. Rick Santorum is so extreme he actually would allow states to ban birth control, even for married couples.

Santorum told *Newsweek* and repeated on television news that he supports giving states the power to outlaw birth control. Not some birth control – all birth control.

He's arrogant. Out of touch. Extreme. That's Rick Santorum. And it's time for him to go.

**Rick Santorum:
Too Extreme. Wrong for Pennsylvania.**
